

SAMPLE AGREEMENT

An intentionally obvious training document for the guided sample.

FIELD	VALUE
Document date	1 August 2026
Sample reference	Agreement reference: DEMO-AGREEMENT-01

This sample agreement demonstrates a clear title and date match.

What to notice

The filename, title and date deliberately repeat the words used in the guided witness statement. This makes the sample easy to understand while still requiring the reviewer to confirm every match.

This file contains no real case, party or personal information.
